LIFE.
What is life? I do not know
Only this—I love it so;
Cling to it with bating breath,
Fearing lest my rival, Death,
Snatch it from me, and I drain
In one single draught of pain
The full measure; at its best—
Life is but a pilgrim's quest.
What is life? I cannot tell
Only this—I prize it well;
I love Goleonda's fauldest gems,
Love the clamorous praise of men;
Bright may fame and glory gleam
Fair the castle of my dreams:
Yet, withal, e'er at its best,
Life is but a pilgrim's quest.
What is life? I cannot say
Only this—the far-away
Calls me o'er a charter sea
To the port of Mystery;
And my ship shall anchor there,
Its journey foul or fair;
Deep within a pulseless breast
I shall find the pilgrim's quest.
—Frank Grubbs, Good Hope.

Mike Brown
The Deal Man.

Charles Frederick, an employee at the Key stone Commercial Company's plant in West Third street, and who lives in one of the cottages in Second street a few doors East of Limestone street, had somewhat of a thrilling and exciting experience Sunday night about 9 o'clock. On returning home at that hour he found two strange white men sitting on his steps. When accosted as to their presence there they at once became suspicious and a fight ensued. Frederick knocked one of his assailants down, but was himself floored by the other fellow. Frederick was compelled to make a hasty retreat by way of a side alley into his home. In the encounter Frederick lost a fine revolver, the weapon being wrenched out of his hand by one of the two strangers.

It is claimed that the ore will show a profit of at least \$10 a ton.

Last Thursday A. F. Leonard bought 315 hogs from "Hog" Royalty that weighed 78,-190 pounds, at \$7.80 per hundred. The lot cost him \$6,006.23. Mr. Leonard sold them to the Louisville Packing Company at \$8.45 per hundred. This was said to be the nicest lot of hogs in Central Kentucky.—Harrodeburg Republican.

Truth is stranger than fiction but what is this? A farmer over in Scioto county found a turtle upon whose shell Aaron Baker in 1833 cut his name and the date. The turtle obligingly turned up again in 1864 and Aaron's son carved his name and the date upon the historic shell. In 1890 a grandson followed suit with his name and the date, and now a great-grandson has come upon that same old turtle and has done as his forebears did.—Adams County Record.

The "REGAL" Shoe

Is the only shoe made not afraid to be cut up by the buzz-saw. The Regal Buzz-Saw in our show-window aroused considerable excitement. Hundreds of people watched the operator as he ripped and slashed Regals in every way imaginable to show just what the Shoes are made of. The insides of the Shoes were clearly disclosed, showing the linings, oak bark tanned soles, whole lifts in the heels, oak bark tanned counters and toe boxes and other parts used in making Regals—parts which are of vital importance, but which are hidden from the sight of purchasers. Of course, the onlookers began to wonder what was in the shoes they were wearing and made comparisons. Many went in our Shoe Department and came out later in a pleasant mood with a box under their arms.

Deafness Cannot be cured
by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Frank and Noel Claypool of Forest avenue were arrested last evening on a charge of having wilfully and maliciously cut with intent to kill one B. Holtzclaw, a bricklayer. The affray is said to have taken place near the Colored school house in Fifth street Sunday night. The Claypool boys have borne a good reputation heretofore.

Mr. Willie VanPelt, the colored janitor at the Cox Building, was assaulted last night by an unknown party in a disorderly manner. He was on his way to the C. and O. Depot to meet Lieutenant-Governor Cox, who was expected to arrive on the 11 o'clock train. In crossing the bridge at the foot of Short street he was struck by one of several parties standing on the bridge and knocked down. He sought to escape the ruffians by flight, but was overtaken and choked and beaten in a fearful manner. His entreaties attracted the people of the neighborhood, who came to his rescue, else he would undoubtedly have been murdered. He still bears the marks of his rough usage.

The total internal revenue collections from all sources of tobacco in the United States during the month of August, 1909, amounted to \$4,749,082.55, an increase of a little more than 9%.

The leaders of the Burley Society at Winchester were much elated over a telegram received there announcing that James B. Haggard, owner of Elmendorf, at Lexington, had pooled his 360 acres of tobacco.

The Wall Street Journal, discussing the cost of living, says: "Our adverse balance of trade for August adds to the evidence that the rise in the cost of living is approaching a climax—for the present movement, at least."

The output of smoking and chewing tobacco for August was \$4,773,877 as compared with \$3,076,364 last year. Cigars increased 40%, 50,867 pounds; small cigars decreased 603,389, while cigarettes showed a big increase of 152,320,122.

Dr. Cook's report of his conquest of the Pole is such a long drawn-out and wordy affair that it savors of an attempt of the "United Press" and the syndicate newspapers to hold the public up for a month's purchase of the papers monopolizing it.

Youngest Minister in Kentucky and possibly in the United States is Rev. Spencer Singleton of Bellevue. Rev. Singleton is just 20 years of age, and at the Kentucky Conference of the Methodist Church at Mayfield, Monday, he was appointed to the Pastorale of the Fulerton M. E. Church.

James B. Haggard, owner of Elmendorf, has pooled his 400,000 pounds of tobacco grown this year with the Burley Society and his action will go a long way towards making 1910 a success. Haggard refused to join last year because of the "night rider" troubles and sold his tobacco at the end of the season in Cincinnati. J. N. Camden, who has the second largest crop, estimated at 180,000 pounds, it was announced, has also entered the pool.

No Cure For Baldness. Physician
of National Reputation States
That in Rare Cases Bald-
ness is Not a Disease.

It is a well-known fact that more charlatanism is rampant today on the subject of the scalp and hair than exists concerning any other subject, excepting, perhaps, consumption. Dr. Nott says: "Among the thousands of cases that have passed under my inspection, I have seen but very few authenticated instances where baldness has been successfully treated; of course, if there was among the patient medicine anything that would accomplish the result we would know of it and would at least try it. So far as restoring hair to color or promoting the length of the hair, that's another matter. The Q-Bar Hair Restorer, for instance, will restore gray hair to its natural color. I have used it in hundreds of instances without failing in a single case. I have used the Q-Bar Hair Tonic as well, very often and effectively to encourage the growth of a luxuriant crop of hair—to remove dandruff, etc., but I have as yet to record a single case of baldness that has been effectively treated, without having to resort to a general hygienic treatment in connection with standard products, like, for instance, Q-Bar Hair Restorer and the Hair Tonic. I have found them to be very effectual assistants." Dr. Nott admits and insists that to produce a luxuriant growth of hair, to restore gray hairs, cure dandruff and diseased scalps is quite possible by simply observing the laws of health and using Q-Bar Hair Restorer and Tonic, but for baldness there is, as a rule, no cure; although some remarkable exceptions may be noted.

Q-Bar Hair Restorer and Tonic, we understand, can be had now at all druggists, put up ready for use with full directions given as to the application.

"J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair is commencing to fade you can have the first full size 50c bottle by sending 12c in postage to the Hessig-Ellis Drug Co., Memphis, Tennessee."

Woman's Friend

Nearly all women suffer at times from female ailments. Some women suffer more acutely and more constantly than others. But whether you have little pain or whether you suffer intensely, you should take Wine of Cardui and get relief.

Cardui is a safe, natural medicine, for women, prepared scientifically from harmless vegetable ingredients. It acts easily on the female organs and gives strength and tone to the whole system.

TAKE CARDUI

The Woman's Tonic

Mrs. Verna Wallace, of Sanger, Tex., tried Cardui. She writes: "Cardui has done more for me than I can describe. Last spring I was taken with female inflammation and consulted a doctor, but to no avail, so I took Cardui, and inside of three days, I was able to do my housework. Since then my trouble has never returned." Try it.

LINCOLN INSTITUTE

Now An Assured Fact—445 Acres Purchased By Berea College in Shelby County

The Lincoln Memorial Institute is now an assured fact. Deeds were recorded in the Shelby County Clerk's office whereby Berea College becomes the owner of 445 acres of land in Shelby county as a site for the colored branch of that institution.

A cash payment was made for the entire tract, which includes 140 acres purchased from R. J. Pace, 88 acres from R. A. Owen, 120 acres from John Blackerby, 73 acres from J. G. Byars and 18 acres from W. B. Goodknight. The price was not made public, but is understood to average about \$88 per acre.

The land secured is about a mile West of Simpsoville on the South side of the State pike. The Shelbyville branch of the L. and N. Railroad runs through the Northern edge of the property.

Full possession will not be given until January 1st, 1910, but the new owners have the right to begin at once any preliminary work which will not interfere with crops.

Next Tuesday is Registration Day.

Two hundred dollars a ton for broom corn is now predicted by men in the trade. At Arcola, Illinois, farmers have refused \$170 in the field.

One confession last night at the Lawrence Creek Christian Church, of which Dr. William H. Hall is Minister. Larger attendance last night, and the song service enjoyable, which begins each night at 7 o'clock. Rev. Roger L. Clark will speak each evening, and his sermons are splendid, teaching men and women the way of eternal life.

Mr. G. Blum, who, way back in the early fifties down to the late seventies, was one of Maysville's prominent clothing merchants, arrived here yesterday afternoon from his present home, Baltimore, Md. His longing once more to see old Maysville and what old friends may still be in the land of the living could not deter the old gastronomist, who is 84 years old, from making the trip. By the middle aged and old citizens of the county Mr. Blum will be pleasantly remembered. No kinder-hearted man ever lived in this community. Mr. Blum will be the guest of his brother-in-law, Mr. Dave Hechinger, with whom he was associated years ago under the well remembered firm of Blum & Hechinger.

At San Francisco, Cal., after the beating of Al Kaufmann by Jack Johnson, a well-known sporting authority was asked how Johnson would fare with Jeffries if they should meet. A HELPING HAND.

Is Gladly Extended By a Maysville Citizen.

There are many enthusiastic citizens in Maysville prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:

Mrs. John E. Burns of Maysville, Ky., says: "I value Doan's Kidney Pill just as highly today as when I gave a statement in their favor some years ago. I was subject to frequent attacks of kidney trouble and at times the pain in my back was so acute that I was confined to bed for days. The quick and decided relief I obtained from Doan's Kidney Pill, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight headache, but a few doses of this valuable remedy have never failed to ward off any serious attack."
